Position: EC Members

My special interest in serving of EC, since seven members of my family have had their schooling from this prestigious school and wish to return back to the school for what the school is providing me and my family.

L With regard to my special ability:-

1. I have been a President of New Divine Education Society which was having school in Paschim Puri under the name and style of West Delhi Public, School. This School was initiated under my President ship and flourishing in West Delhi area.
- 2, I have been Past President of Jor Bagh Association, the colony were I have been staying since I joined school in 1961. A lot of new activities were initiated under my President ship like planting of tree by Chief Minister Sh. Sheila Dixit and inauguration of the Community Hall by CM. Under my President ship, the rules and regulation of this prestigious colony were amended since the one existing was out dated,
3. I have been President of Central Builder Association. This organization is connected with my working of building activity and is prime institution for CPWD. The Association was registered in the year 1953 and still active in construction activity and educating construction worker and supervisor.
- 4, I have been President of DDA Builders Association under whose umbrella lot of work was initiated by my group company from 1970 till 2000.

II. As already mentioned my experience in various activity shall help me to work as a team with other EC members in enhancing the value of old Colombian Association of which I have been a member since long.
